PLANT SHADE TREES!

Visit Oakland Nursery and discover the best tree selection in Central Ohio! You may select superior shade trees ranging in size from #3 size container trees up to a 4" diameter trunk!

WHY BUY AN OAKLAND TREE?

- Great selection of No. 1 grade trees
- Oakland trees are locally grown in Central Ohio's heavier soils so they are acclimated to the Central Ohio region
- Oakland trees are trimmed to insure future quality
- Oakland trees' root ball sizes meet the American Nursery & Landscape Association Standards
- Oakland trees are grown with the latest Horticultural Production Methods
- Oakland trees will be freshly dug prior to delivery
- Trees are for a lifetime, so buy only the best!

TREES ARE COOL...

BENEFITS OF SHADE TREES!

- In one year an average tree produces enough oxygen for a family of four, for one year.
- Planting trees remains the cheapest, most effective means of drawing excess CO2 from the atmosphere.
- Shade trees can reduce utility bills for air conditioning by 15-50%.
- Healthy trees can add up to 15% to residential property values.
- The net cooling effect of a young, healthy tree is equivalent to 10 room-size air conditioners operating 20 hours a day.
- Studies indicate that trees help create feelings of relaxation!
