# OAKLAND NURSERIES

Celebrate this Fall with  
**75th Anniversary  
SPECIAL VALUES**

Throughout the Flyer

It's Fall! Time to Plant! Time to Save!

## FALL IS FOR PLANTING

Fall is perfect for planting!!!  
Cooler air temperatures, warm  
soil temperatures, and  
adequate rainfall encourage  
root establishment of trees,  
shrubs, bulbs, and lawns.

Oakland Nursery has the  
largest selection of plant  
material in Central Ohio! Select  
shade trees and shrubs with  
vibrant fall color!! We also  
carry a vast selection of  
ornamental grasses for fall  
color and winter interest.

**After all, "IF YOU  
HAVEN'T BEEN TO  
OAKLAND  
NURSERY, YOU  
SIMPLY HAVEN'T  
BEEN TO A  
NURSERY!"**

Look for our  
yellow starbursts  
for Tree-mendous  
values!

each

Other Shade Trees Available with fall color: Honeylocust, birch, beech, serviceberry, oak, and more! (Size and price vary.)

## PLANT SHADE TREES!

Visit Oakland Nursery and discover the best tree selection in Central Ohio! You may select superior shade trees ranging in size from #3 size container trees up to a 4" diameter trunk!

### WHY BUY AN OAKLAND TREE?

- Great selection of No. 1 grade trees
- Oakland trees are locally grown in Central Ohio's heavier soils so they are acclimated to the Central Ohio region
- Oakland trees are trimmed to insure future quality
- Oakland trees' root ball sizes meet the American Nursery & Landscape Association Standards
- Oakland trees are grown with the latest Horticultural Production Methods
- Oakland trees will be freshly dug prior to delivery
- Trees are for a lifetime, so buy only the best!

## TREES ARE COOL...

### BENEFITS OF SHADE TREES!

- In one year an average tree produces enough oxygen for a family of four, for one year.
- One tree will absorb the CO2 from 4 cars every year.
- Planting trees remains the cheapest, most effective means of drawing excess CO2 from the atmosphere.
- Planting 100 million trees could reduce carbon by an estimated 18 million tons per year, while saving American consumers \$4 billion each year on utility bills.
- Shade trees can reduce utility bills for air conditioning by 15-50%.
- Healthy trees can add up to 15% to residential property values.
- The net cooling effect of a young, healthy tree is equivalent to 10 room-size air conditioners operating 20 hours a day.
- Studies indicate that trees help create feelings of relaxation!
